

Kiara Melberg

(708) 541-5379 | melberg.k01@mymail.sxu.edu | www.linkedin.com/in/kiara-melberg | Chicago, IL

PROFESSIONAL SUMMARY:

Detail-oriented double major in Chemistry and Computer Science with strong analytical, technical, and problem-solving skills. Experienced in data analysis, programming, and following procedures.

EDUCATION AND HONORS:

Saint Xavier University, Chicago, Illinois

Bachelor of Science, Chemistry and Computer Science | Minor: Mathematics

GPA: 3.78/4.00 | Expected Graduation December 2026

Honors & Awards: Dean's List of Honors, Rzepa Scholarship, Chartwells Scholarship, Freshman Merit Scholarship

RELEVANT COURSEWORK:

- Software for Business Analytics
- Relational Database Theory & Design
- Calculus I & II
- Introduction to Statistics
- Systems Analysis & Design
- Prin of Computer Prog I & II

RESEARCH EXPERIENCE:

Saint Xavier University

Chicago, IL

Chemistry Capstone Research Project

August 2025 – Present

- Conducting a literature review on how quantum computing can overcome the limitations of classical computational methods in modeling CO₂ conversion.
- Analyze and summarize scientific findings with attention to accuracy and documentation.

PROFESSIONAL EXPERIENCE:

FUCHS Lubricants Co.

Harvey, IL

Research & Development Tech. Intern

July 2025 – August 2025

- Collected and consolidated technical data on 1,000+ raw materials from SharePoint, OneDrive, SAP, supplier websites, and RMDB into a SharePoint-based library.
- Structured and cleaned data in Excel to create a searchable reference file.
- Built an AI assistant in Microsoft Copilot Studio to leverage the raw material database and improve data accessibility for the R&D team.
- Documented process used to structure and standardize information for team reference.
- Presented project results to the R&D team, demonstrating the database and AI-powered assistant.

Saint Xavier University

Chicago, IL

Chemistry Laboratory Assistant

August 2025 – Present

- Prepare reagents and set up equipment for chemistry lab courses.
- Maintain clean, organized, and safe laboratory workspaces.
- Collaborate with faculty, lab coordinator, and student workers in course preparation.
- Utilize Chemventory (Chemical Inventory Management software) to track and manage lab supplies.

Target

Crestwood, IL

Closing Expert

February 2024 - Present

- Perform stock audits, utilize in-store systems to locate inventory, and assist customers by addressing inquiries.
- Coordinate with Tech, Fulfillment, and Cashiering teams to ensure smooth operations.
- Optimize merchandise presentation and contribute to process improvements.

SKILLS:

Technical: MS Office, Excel, SAP ERP, Data Analysis, Documentation, AI tools (Microsoft Copilot), Database Creation

Programming/Markup/Query Languages: Java, introductory C++, SQL, HTML, CSS

Laboratory: Chromatography, Spectroscopy, Recrystallization, Distillation, Extraction, Sample Preparation & Handling

Soft: Communication, Organization, Critical Thinking, Problem-Solving, Teamwork, Adaptability, Attention to Detail
